"MAMOME BEKISIZA" born in depths of "BOTSHABELO" one of the "SOUTH AFRICAN" distinctive. A young gifted boy from "FREE STATE", better known by his stage name "CEEZERM420" which is greatly describes his creative versatility in music. He brought by a dream of making A+ music.

Got started playing Beatbox for Beats and learned about Chords(Notes), beats measurements and bars in school. Battling in the streets was the best part of my rapping career. Then my friend KAY PRO introduced him to quality Music and recording music more professional within few tracks M420 was local pro.

In 2007 "MAMOME BEKISIZA" and "ZANELE NQUNJA" got inspired by "RICK ROSS" and form a rap crew called "Blowing money fast(BMF)" The crew had high hopes and were waiting to be discovered but that big break eluded the group. The Group then changed to "DOUBLE LT(C sec bafe2)" with the addition of the new members. "TEBOHO KGOLO TSA&KARABO LEKHELEBANE" the crew took a while to cement it's identity as a group with the changes in personal and initially being combined with the other two members: THABO RANOTSI & MOEKETSI MAKOENYA the crew ended with 7 tracks under their name .

In 2016 "CEEZERM420" then worked with Stivas&LEX Releasing one track produced by "VYPERS UNLOADED" and then start Associating with the MOD DJ's Headers of Vypers and got on Eliross de boss Tour with SGN at Bergman square(Bloemfontein).

In 2016 DOUBLE LT looked to be headed for better things but this was put in with the departure Rapper& Producer "Mziker" decided to part ways with the group to pursue a career. It would seem that was the beginning of the end for DOUBLE LT but "CEEZERM420&CHICHA" continued with the Crew - holding the fort. In the same year, "LLT" was dropped and formed a new group called "187" for themselves after working on few tracks with KAY PRO

In 2018 CEEZERM420 took a 10 hour trip by a train to JO'BURG to meet up with a crew called "WAVE GANG" young trappers from soshanguve(PRETORIA). The GANG consists the likes of tween mozy, Kay citi and many more. Mozy gave me a chance to change my career but unfortunately M420 had to move back to Free state due to money issues.

I am sabine modls, I have been a photo model for 5 years I do theme shoots with amateur or professional photographers

My projects to be in an agency and to be able to live as a model

I would like to advertise cosmetic brands. With the covid and this particular period not easy. I hope that soon everything will be alright
Thank you

Spookypie

I have just begun this and I do it for fun and to show other women and girls that are normal that we are all beautiful! I have an amazing photographer Joel Sanchez. Who helps me feel comfortable and confident with my body. I have many health problems, and to still be able to model and have these opportunities is truly amazing! If you put your mind and effort into things and support the people around you, you will have great things happen. The support that my husband and family give is out of this world. My goal is to keep positive vibes going and show that just have fun and be kind.

Tyra B

When growing up ive always wanted to be a model material. i would study how models dress and the way there makeup was done. as i became a teenager i had an facebook so i would take multiple pics and they loved my pics my family would always tell me i should be model i have the face and body for it . i took it as a compliment of course...but once i kept hearing it i knew

that modeling was my dream goals and something that i always wanted to accomplish was modeling on the red carpet also modeling for TYRA BANKS...my name is tyra as well thata why i inspire her were tall and have several features between us.. I could like to join...i see myself as a healthy model..:)
