Hi, my name is Beatriz, I'm 8 years old. People know me as Bibi.

At 4 years old, mom and dad took me to a musical event and I had the opportunity of the first real contact with drums and I can say it was love at first sight. Since that day it has begun my dream of becoming a drummer. I started right away being influenced by music masters such as: Neil Peart, Aquiles Prister, John Bonham, Jay Weinberg, John Dolmayan, Eloy Casagrande, Tony Royster Junior and many other talented musicians.

What I aim is to become not only a great drummer but I want to be recognized for my art, for my work and represent my country in the drums scenario.

I want to be an influence to people of all ages all over the world, encourage them to believe and run for their dreams. I specially want to inspire other kids and encourage parents and relatives to support their children to achieve their goals. I believe we are the new generation in charge of carrying out this message and we should never be afraid of the bright future ahead. I'm very happy with all my achievements and I want other children feel the same.

My videos became popular in social media and naturally I started being quoted to participate on important TV shows, radio programs, newspaper and magazines, telling a little bit of my story and passion for music.

I participated in the international contest Hit Like A Girl 2021 in two categories. In Latin America category up to 17 years old I won the third place and in the world category up to 13 years I won the fourth place. I'm so proud of that!

I also started to be endorsed by big brands in my country and this is contributing significantly to my musical development.

It's a challenge everyday, but I see myself living this dream. I want to be recognized as a great professional drummer, I want to become an influence and represent my homeland, I want to be a complete musician and understand everything related to music, including learning other instruments (actually I'm having classes of piano and loving it).

I thank all my fans for the messages, words of thanks and affection, I thank all the people who supported me in this journey and pushed me to follow, for them I want to be better and better everyday. I know that everything is possible just believe and study and you'll have success!

Bella Guidotti

My name is Bella Guidotti and I am 13 years old. I started singing and performing when I was really young and loved being on stage. It is my dream to write, produce and perform my own music that people (like me) who don't always feel accepted can relate to. I think it's really important to use music in a positive way to inspire those who need it. My passion for singing has given me the platform to advocate for all those who need a voice. I have always chosen covers and written songs that I feel express a sense of empowerment.

I am really excited to announce that I am releasing a cover of "Good 4 U" by Olivia Rodrigo and another GirlBOSS original, "March".

unsere tagtäglichen menschlichen wünsche, hoffnungen, finden letztendlich ausdrück in unseren erfolgen. unsere wege werden nicht geradlinig sein. immer neue herausforderungen bilden den großen stein auf unserem weg. alles gemeisterte auf diesem weg ist erfolg. das gescheiterte bleibt im menschlichen kampf der verlußt und der wunsch weiterzugehen. in unseren träumen fühlen wir unsere welt. die sehnsucht nach glück, liebe und geborgenheit. der eine redet darüber, der andere schreibt und wieder ein anderer malt. die fülle aller gedanken, emotionen, wie leidenschaft, sehnsucht oder wut, liegen im gemalten bild. egal welche größe die leinwand oder das stück papier hat. es bleibt der momentane gedanke unserer emotion. die stärken, aber auch die schwächen.
